Capable Creatures has to make sure all our volunteers are safe to work with people with a Mental Health Condition.

Have you ever been convicted of any criminal offence or awaiting trial by a court of law?

Yes No

Having a criminal record does not stop you from volunteering with Capable Creatures and asking is as much about ensuring you have the right support as it is about the safety of our clients.

We will only take into account a criminal record if it could be important to the volunteering you want to do.

Capable Creatures volunteers who spend time with people with a Mental Health Condition may need to have a police check through the Disclosure and Barring Service before they can start. Therefore do you consent to having a DBS check.
